

Element Series 30" Vanity Console in Polar White finish

tidal

Model(s): ELMC-307000-GL, ELMC-307000-GQ

Element 30" wide 2-drawer wall-mount vanity cabinet

Overall Dimensions: 30" Wide x 22" Deep x 20-1/2" High (including top)

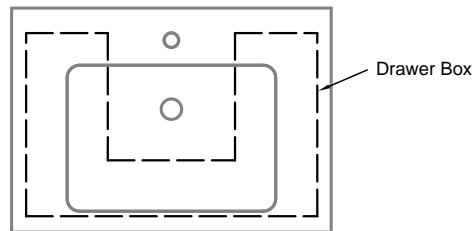

Key Features:

- Simple and minimalist design
- Two Blum Tandembox metal drawer boxes using Tip-On push-click technology for drawer opening/closing
- Using Blum metal hanging brackets for easy installation
- High quality HDF board construction
- Cabinet console available in Polar White finish only
- Countertop options: Starfire white glass with integrated sink or Ash Grey quartz rectangular white ceramic sink

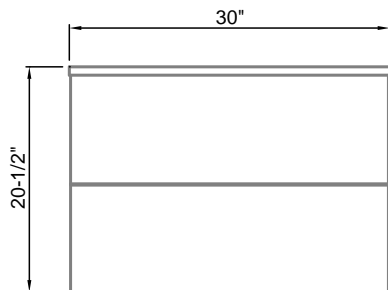

Remarks:

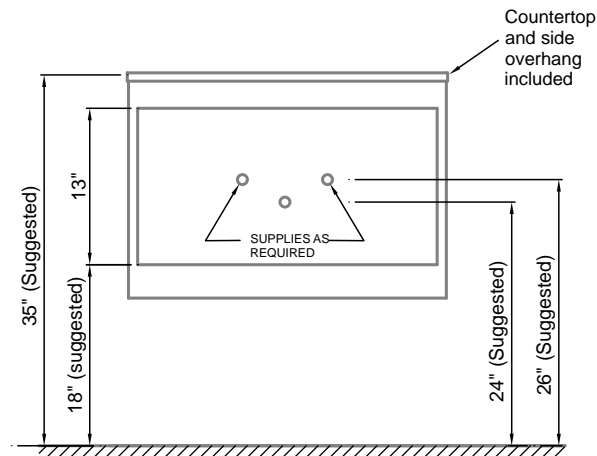

- * It is highly recommended to first install strong plywood backing on wall beforehand to ensure the vanity has a secure foundation for support.
- * It is highly recommended that the plywood backing is secured to at least one internal support stud within the wall
- * For additional support, under-cabinet wall block supports (provided) should be used to support the weight of the cabinet
- * All suggested placements in drawings are based on recommended 35" countertop height
